# Introduction

New Loops presents 808s – a collection of hard hitting 808 subs and kicks with real depth. There's a total of 130 kicks including 90 key-labelled kicks ranging from long, smooth 808 bass, to hard distorted subs. You'll also find 40 analogue kick thuds with real low-mid punch, perfect for hip hop and trap beats.

This Reason Refill also includes 130 NN-XT and Grain patches.

These kicks are suitable for hip hop, trap, pop, future bass, garage, drill, dubstep, EDM, drum and bass, and any other styles where 808 kicks are required.

# Installation

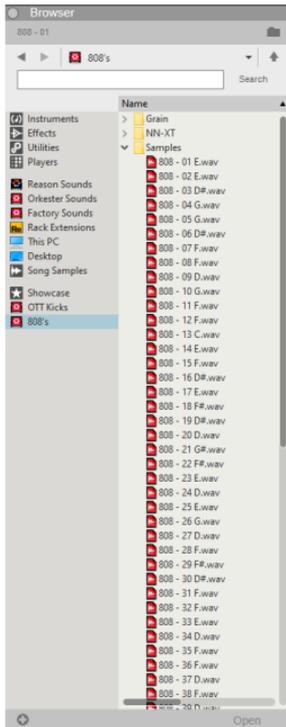

Installing this Reason Refill is easy. Simply download the zip file and unpack. You can move the Refill to your preferred place on your hard drive.

Navigate to the ReFill and double click to open it. Propellerheads Reason will start, and the Refill will be opened in the file browser.

Alternatively, you can navigate to the Refill using Reasons built in file browser and “drag and drop” the Refill onto the left side for quick access (as shown in the image).

**Please note:** Reason Refill format requires Propellerhead’s Reason 8.2 or later.

Please keep a backup copy of your sound pack.

# New Loops

New Loops is an English sound design label publishing audio sample packs and synthesiser presets in the pro audio market. With a focus on quality and usability, New Loops sounds are used by DJs, producers, music studios, and composers all over the world.
